

Fredericia Shipyard A/S will have

- a new name
- a new location with
- new expanded facilities

Under the name FAYARD A/S, Fredericia Shipyard A/S has expanded and moved its facilities as of 2011.

The shipyard will be established at Munkebo near Odense, Denmark.

At the completion of the area, the new repair shipyard will have:

- **Four modern dry docks**
 - Dock 1: 303 x 45 x 7 m
 - Dock 2: 280 x 44 x 7 m (dockpit 6.2 x 6.2 x 2.4)
 - Dock 3: 315/415 x 90 x 8 m (available mid 2011)
 - Dock 4: 145 x 30 x 8 m (dockpit 6.2 x 6.2 x 2.4)
- **Crane capacity up to:** 1000 tonnes
- **Repair berth:** 700 meter
- **Construction/assembly hall:** 8000 m²
- **Electrical shore power, each dock:**
 - 1000 A - 440 V - 60 Hz
 - 1200 A - 400 V - 50 Hz
- **Slop/tank washing water disposal facilities:**
Up to 1600 m³
- **On-site workshops**

We look very much forward to serving the present and new customers of the shipyard at this new facility as of 2011.

Please do not hesitate to contact us, should you have questions or queries.

Regards

FAYARD A/S
