Please allow me to address you to inform about our new Area Sales Manager Central Europe and our presence at the coming SMM-Hamburg 2018 Maritime Trade Fair.

## FAYARD SALES MANAGER CENTRAL EUROPE

I am very pleased to be able to announce that Lisa Brenneisen is now joining the FAYARD Sales team. Lisa Brenneisen is having the sales responsibility for Central Europe utilizing her competent maritime background: *Lisa Brenneisen has grown up in the wine area „Pfalz“ (palatinate) and started the seagoing career in 2001 when joining the first vessel, a multi-purpose carrier, in Australia. Sailed on bulkers and on tankers during internship time and vacations, as well as on sailing vessels. Completed studies in Elsfleth 2006 and joined a tanker company in Bremen as a watch officer, with Master Mariner licence. After having made all the way up to the Master position, Lisa Brenneisen joined the ship owning company ashore as a Superintendent and had the great opportunity to be responsible for both the deck and engine department operations of up to 6 vessels. Spare part supply, maintenance, class and flag state certification and repairs have been part of responsibilities. Lisa Brenneisen has collected quite some drydocking experience and have been part of the emergency team ashore. Hull and machinery insurance cases, as well as P&I cargo claims have been handled by Lisa during her time as Superintendent. Lisa Brenneisen is now looking forward to work for FAYARD and it's customers with their different expectations.*
