(iii) The Contractors shall be entitled to exercise a possessory lien on the Vessel before Redelivery for all sums due to the Contractors on or before Redelivery.

7. Liquidated Damages for Delay

In the event that Redelivery is delayed beyond the Contract Period, the Contractors accept liability for liquidated damages in the sums stated in Box 17(a) for each day of delay, subject to any maximum amount stated in Box 17(b). If Box 17(b) is not filled in then ten (10) per cent of the Contract Price shall apply.

8. Liabilities and Indemnities

(iv) Any tests, trials or movements of the Vessel shall be at the Owners' sole risk and responsibility, and the Contractors shall not be under any liability whatsoever to the Owners for any loss, damage or expense resulting from such tests, trials or movements, unless caused by the intervention, act or omission of the Contractors.

(b) **Liability for Death or Personal Injury**

Each party accepts responsibility and liability for the death or personal injury of its own personnel, and the personnel of those entities for whom they are responsible under this Contract, irrespective of the cause of death or personal injury, and whether or not caused by the negligence of the other party, or those entities for whom the other party is responsible under this Contract.

Each party further agrees to indemnify and hold harmless the other party, as regards both liability and legal costs, in the event that the aforesaid personnel or their dependants pursue claims for death or personal injury against the party who is not responsible for them under this Contract. The party not responsible shall notify the other responsible party of such claims. The party who is responsible for the claim(s) under this Contract shall take over the conduct of the claim(s) whether or not such claim(s) is made against it or the other party.

(c) **Third Parties**

(i) Each party agrees to indemnify the other party against all claims made against the other party by third parties (being those individuals and entities for whom neither party is responsible under this Contract) in any way related to this Contract where such claims are caused, or to the extent that they are contributed to, by the indemnifying party's negligence or wilful misconduct or that of those for whom it is responsible under the terms of this Contract.

(ii) The indemnifying party shall bear the expense of investigations and defences of all claims against which the other party is indemnified under Subclause (c)(i) (Liabilities and Indemnities – Third Parties) above and all legal proceedings arising therefrom including the legal costs of the indemnified party.

9. Limitation

(a) The Contractors' liability howsoever arising out of or in connection with this Contract (even in the event of negligence) shall be limited to the Contractors' Total Liability as stated in Box 16(a).

(b) The Owners' liability howsoever arising out of or in connection with this Contract (even in the event of negligence) shall be limited to the Owners' Total Liability as stated in Box 16(b).

(c) **Employees, Servants, Agents and Subcontractors**

The limitations on each party's liability in Subclauses 9(a) and (b) (Limitation) shall also apply to the liability of those for whom that party is responsible under this Contract. Each party further agrees that it will not, and will ensure that those for whom it is responsible do not, circumvent the aforesaid limitations and allocation of responsibility by taking legal proceedings against the employees, servants or agents of the other party, and to this extent each party shall be deemed to be acting as agent or trustee on behalf of and for the benefit of all such persons.

(d) **Exclusions of Liability**

Except as provided in Clause 7 (Liquidated Damages for Delay), in no circumstances whatsoever shall either Party's liability to the other Party include any sum in respect of:

(i) loss of hire, loss of profit, loss of use or business, or any similar direct or indirect losses; or

(ii) any consequential losses whatsoever

arising out of or in connection with the performance or non-performance of this Contract whether or not the same is due to any breach of contract, negligence, wilful misconduct, or any other fault on the part of either Party, or those for whom they are responsible.

PART II
REPAIRCON Standard Ship Repair Contract

(e) Limitation

Nothing herein contained shall affect any right that the Parties may have to limit their liability under any statutory enactment for the time being in force.

10. Guarantee

- (a) The guarantee shall apply to the Works performed and materials and equipment supplied by the Contractors.
- (b) The Contractors shall be responsible for rectifying defects in materials, equipment and workmanship existing at the time of Redelivery or, if later, Completion, provided always that notice of complaint in respect of such defects is received in writing by the Contractors within the number of months stated in Box 13 from the date of Completion. If the defect has led to damage to the Vessel or any part thereof, this obligation shall extend to repair or renewal of the Vessel's part(s) that have been damaged as a direct consequence of the defect.
- (c) In cases where the Contractors are liable for defects as provided in this Clause 10 (Guarantee), the Owners shall be entitled to have the work and the replacements carried out at any yard or workshop, other than the Contractors' yard if, in the reasonable opinion of the Owners, such work and the replacements need to be effected promptly and it is not practicable or cost effective for the Owners to bring the Vessel to the Contractors' Yard. The Contractors' liability in such cases shall solely be to pay directly or reimburse the actual cost incurred for such work and the replacements provided always that before committing the Vessel to another yard or workshop the Owners shall:
- (i) Notify the Contractors of their intention to do so and request such assistance as the Contractors may be able to offer in order to minimise the cost;
 - (ii) Use reasonable endeavours to ensure that the cost does not exceed the cost of having the same work carried out at the Contractors' Yard.
- (d) In any case the Vessel shall be taken at the Owners' cost and responsibility to the place elected, ready in all respects for the guarantee work to be commenced.
- (e) When repairs or renewals are performed by the Contractors pursuant to this Clause 10 (Guarantee), the Contractors shall guarantee such repairs or renewals on the same terms as this Clause 10 (Guarantee).

11. Disruptions

- (a) The Contract Period shall be extended when any of the following events cause delay to the Contractors' performance of the Works, provided always that the Contractors shall have complied with Clause 11(b) (Disruptions) hereunder and shall have made all reasonable efforts to avoid or minimise the effects such events may have on the performance of the Works:
- (i) Force Majeure events

(8) fire, accident, explosion (whether in the Contractors' Yard or elsewhere) except where caused by the proven negligence of the Contractors and/or the Subcontractors.

(ii) Other events

(1) failure of the Owners and/or Owners' regulatory bodies to review/approve technical information within a reasonable time;

(2) suspension of the Works pursuant to Subclause 6(b)(iii) (Payment);

(3) failure of the Owners to deliver the Vessel in the condition stipulated in Subclause 5(a)(i) (Delivery);

(4) breach of Subclause 3(a)(ii) (Owners' Representatives);

(5) disruption of the Works in breach of Clause 4 (Owners' Work); or

(6) late delivery of any items to be supplied by the Owners.

(b) The Contractors shall notify the Owners in writing within two (2) working days of the occurrence of any event of delay, on account of which the Contractors assert that they are entitled to claim an extension of the Contract Period. A failure to so notify shall bar the Contractors from claiming any extension to the Contract Period. The Contractors shall also advise the Owners in writing (A) within two (2) working days of the ending of any event notified under this Clause that the event has ended, and (B) as soon as reasonably possible after (A), the length of extension of the Contract Period claimed by the Contractors.

12. Termination

(a) Contractors' Default

The Owners shall be entitled to terminate the Contract by notice in writing to the Contractors in the event that:

(i) the Contractors are deemed insolvent pursuant to Clause 12(d) (Termination – Deemed Insolvency); or

(ii) without lawful excuse, the Contractors (A) fail to perform the Works or any substantial part of them for a running period of at least five (5) days, provided that thereafter the Owners give the Contractors at least two (2) days' written notice of their intention to terminate under this Clause 12(a) (Termination – Contractors' Default), and within that period the Contractors fail to remedy their breach, or (B) clearly indicate their intention not to perform the Contract; or

(iii) the Contractors fail to redeliver the Vessel in the condition required by the Contract by the Redelivery Termination Date (if any) stated in Box 20, as may be adjusted pursuant to Subclauses 2(a)(iii) (Performance and Approval of the Work – Performance of Works) and 11(a)(ii) (Disruptions – Other events); or

(iv) there is damage to the Vessel in the course of the Works for which the Contractors are liable under the terms of the Contract and the reasonable estimated cost of repairing such damage exceeds the Contractors' Total Liability.

On termination the Owners shall pay any part of the Contract Price that relates to the Works performed up to the date of termination. However, the Owners may set-off against such payment (A) any sums payable pursuant to Clause 7 (Liquidated Damages for Delay), and (B) any losses and/or claims not otherwise excluded which they may suffer by reason of the termination. To the extent that (A) and (B) exceed the Contractors' Total Liability, the Owners shall be discharged from their obligation to pay an equivalent sum out of any unpaid part of the Contract Price. Thereafter, notwithstanding the provisions of Subclause 6(c)(iii) (Financial Provisions – Title to the Vessel), the Owners shall have the right to remove the Vessel from the Contractors' Yard without hindrance or interference by the Contractors or those for whom they are responsible.

(b) Owners' Default

The Contractors shall be entitled to terminate the Contract by notice in writing to the Owners in the event that:

(iii) there is damage to the Contractors' property in the course of the Works for which the Owners are liable under the terms of the Contract and the reasonably estimated cost of repairing the damage exceeds the Owners' Total Liability.

On termination the Contractors shall be entitled to recover any unpaid part of the Contract Price that relates to the Works performed up to the date of termination, together with (A) any losses they may suffer, or liability to Subcontractors and others they may incur, by reason of the termination except as otherwise excluded, and (B), pending payment of (A), their reasonable costs of accommodating the Vessel, but (A) and (B) being subject always to Owners' Total Liability.

(c) Termination shall be without prejudice to any other claims that the Parties may have against each other.

(d) Deemed Insolvency

Either party shall be deemed insolvent (the "Insolvent Party") if it (A) makes any voluntary arrangement with its creditors or becomes subject to an administration order or goes into liquidation (otherwise than for the purposes of amalgamation or reconstruction); or (B) an encumbrancer takes possession of, or a receiver is appointed in respect of any of the Insolvent Party's property or assets; or (C) the other party reasonably apprehends that any of the events mentioned in (A) or (B) above is about to occur in relation to the Insolvent Party and, after notification to the Insolvent Party, is not reasonably satisfied as to its continuing creditworthiness and/or is not provided with suitable guarantees.

(b) Severance

If by reason of any enactment or judgment any provision of this Contract shall be deemed or held to be illegal, void or unenforceable in whole or in part, all other provisions of this Contract shall be unaffected thereby and shall remain in full force and effect.

PART II
REPAIRCON Standard Ship Repair Contract

(c) No Waiver

No failure or delay by a Party to exercise any right or remedy provided under this Contract or by law shall constitute a waiver of that or any other right or remedy nor shall it prevent or restrict the further exercise of that or any other right or remedy.

(d) Entire Agreement

This Contract constitutes the entire agreement between the Parties and no promise, undertaking, representation, warranty or statement by either party prior to the date of this Contract shall affect the Contract nor shall any modification of this Contract be of any effect unless in writing signed by or on behalf of the Parties.

(e) Intellectual Property

(i) The Contractors have ownership of drawings, casting patterns, data regarding weights and volumes, information regarding prices and any other data which they have prepared or produced in connection with this Contract. The Owners may at all times use the same in subsequent work on the Vessel or sister vessels. Subject to payment of the copying expenses, the Owners may require the Contractors to supply copies of this material. The Contractors may not make any of this material available to third parties without the prior written consent of the Owners, such consent not to be unreasonably withheld where disclosure is necessary for the completion of the Works.

(ii) The Owners shall ensure that the manufacturing and/or supplying according to drawings, models or other instructions supplied by them shall not infringe any trademark, patent or similar rights of third parties. Should claims nevertheless be made against the Contractors in this respect the Owners shall keep the Contractors indemnified against the cost to the Contractors of such claims, including any legal costs incurred by them in connection therewith.

(iii) Except as provided for in Subclause 14(e)(ii) (Sundry Provisions – Intellectual Property), the Contractors hereby agree to indemnify the Owners against the cost to the Owners of any claims, including legal costs incurred by the Owners in connection therewith, based on any alleged infringement of trademarks, patents or any other protected rights arising out of or in any way related to the Contractors' performance of the Works.

(f) Scrap Materials

Scrap metal materials removed from the Vessel pursuant to the Works shall become the Contractors' property except for propellers, tailshafts and heavy machinery parts.

15. Anti-Corruption Clause

(a) The Parties agree that in connection with the performance of this Contract they shall each:

(i) comply at all times with all applicable anti-corruption legislation and have procedures in place that are, to the best of their knowledge and belief, designed to prevent the commission of any offence under such legislation by any member of their organisation or by any person providing services for them or on their behalf; and

(ii) make and keep books, records, and accounts which in reasonable detail accurately and fairly reflect the transactions in connection with this Contract.

(b) If a demand for payment, goods or any other thing of value ("Demand") is made to either Party by any official, any contractor or subcontractor engaged by or acting on behalf of either Party or any other person not employed by either Party and it appears that meeting such Demand would breach any applicable anti-corruption legislation, then the Party receiving the Demand shall notify the other Party as soon as practicable and the Parties shall cooperate in taking reasonable steps to resist the Demand.

(c) If either party fails to comply with any applicable anti-corruption legislation it shall defend and indemnify the other party against any fine, penalty, liability, loss or damage and for any related costs (including, without limitation, court costs and legal fees) arising from such breach.

(d) Without prejudice to any of its other rights under this Contract, either party may terminate this Contract without incurring any liability to the other party if:

PART II
REPAIRCON Standard Ship Repair Contract

(i) at any time the other party or any member of its organisation has committed a breach of any applicable anti-corruption legislation in connection with this Contract; and

(ii) such breach causes the non-breaching party to be in breach of any applicable anti-corruption legislation.

Any such right to terminate must be exercised without undue delay.

- (e) Each Party represents and warrants that in connection with the negotiation of this Contract neither it nor any member of its organisation has committed any breach of applicable anti-corruption legislation. Breach of this Subclause 15(e) (Anti-Corruption Clause) shall entitle the other party to terminate the Contract without incurring any liability to the other.

16. BIMCO Dispute Resolution Clause 2017

- (a)* This Contract shall be governed by and construed in accordance with English law and any dispute arising out of or in connection with this Contract shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary to give effect to the provisions of this Clause.

The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced.

The reference shall be to three arbitrators. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within fourteen (14) calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the fourteen (14) days specified. If the other party does not appoint its own arbitrator and give notice that it has done so within the fourteen (14) days specified, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of the sole arbitrator shall be binding on both Parties as if he had been appointed by agreement.
